Description

Preceding its Memorial Day Weekend grand opening at Tropicana Las Vegas hotel resort & casino, Nikki Beach Las Vegas will take its legendary scene on the road in a series of pop-up touring parties, to be held at popular venues in California, Arizona, Texas and internationally.

Nikki Beach introduced the world to the ultimate beach club experience – a sophisticated blend of beautiful design, hot fashion, haute cuisine, exotic cocktails and sexy entertainment. Nikki Beach has transcended its international venues and developed into one of the most recognized global lifestyle brands.

The "Nikki Beach Las Vegas Grand Opening Touring Party" will serve as an amuse bouche, providing an introductory, and stimulating, taste of the newest Nikki Beach location. Each touring party will offer guests an intimate and personalized introduction to the Nikki Beach brand by showcasing the brand's iconic elements including Champagne and signature cocktails, immensely talented international DJs and entertainment that captures the imagination.
