The Ivy's rooftop pool party at Andaz San Diego

When the Andaz took over The Ivy hotel, they were quite keen on keeping the rooftop's style intact. And lucky for us, they continued with an S.D. summer tradition, with an annual pool party, sponsored by *Blister*. **THE SCENE** Before the evening got cray-cray, guests spent the day lounging poolside and in VIP scenes, with bottle service of course.

THE HIGHLIGHT The Ivy's dancers are always a draw, but for these festivities, the girls went all-out with feathered headpieces and wings. Paging Carnival! —Gillian Flynn
