**Prince Harry** is getting a taste what American nightlife is *really* like.

The 27-year-old royal, who's currently in the United States to complete the final portion of his Apache military training, took some time off over the weekend to party at Andaz in San Diego, Calif.

Joined by 20 friends, **Prince William's** little brother hit up the hotel's Ivy Rooftop on Friday, where the men ordered Absolut Vodka, Red Bull and beer. By midnight, **Prince Harry** and his crew moved to the rooftop's pool deck and watched a rugby match from a private cabana.

For the next two months, **Prince Harry** will be stationed at the Naval Air Facility El Centro, one of the locations used in the 1986 classic *Top Gun* (starring **Tom Cruise**).
