HIGH TIMES WITH PRINCE HARRY

PRINCE HARRY IS IN CALIFORNIA FOR ELITE MILITARY TRAINING AT NAVAL AIR FACILITY EL CENTRO. BUT HE GETS WEEKENDS OFF...

HOW BIG IS HIS ENTOURAGE?

He can travel small or with a squad. On Oct. 7 the prince and seven guys shared two tables at McP's Irish Pub & Grill in Coronado, Calif. That night there were 20 men in his party at the Andaz San Diego.

DOES HE MINGLE?

At the Andaz he moved from general seating to a private cabana by the pool. The next week he was VIP at the Belly Up Tavern in Solana Beach, Calif.

WHAT DOES HE DRINK?

He had beer with his burger at McP's. At the Andaz, where bottle service can cost \$325, his crew ordered Absolut Vodka, Red Bull and beer. At the Belly Up he tossed back a shot of tequila.

The Prince brought waitress Jessica Dan to the Belly Up

WHAT DOES HE WEAR OUT?

Mostly jeans, cap and collared shirt.

DOES HE HAVE SECURITY?

Unlike when Prince William and his wife, Kate, visited L.A. this summer and rode in helicopters and motorcades, Harry travels with two low-key bodyguards.
