Editorial Review of Katsuya San Diego :

The SBE Restaurant Group has expanded to bring the popular Katsuya by S+ARCK dining concept to the Andaz Hotel in downtown San Diego. Taking over the hotel's signature 6,000-square-foot indoor-outdoor space formerly known as Quarter Kitchen, Katsuya will serve a menu of innovative Japanese dishes adapted for the American palate, paired with a fresh cocktail program that focuses on balanced, approachable drinks made from high quality ingredients.
