Take In The Fireworks At These Rooftop Bars

Not surprisingly, the Manchester Grand Hyatt made *Travel + Leisure's* list of 'Best Hotels for July 4th Fireworks'. Because setting off your own display is highly illegal in San Diego County--not to mention highly dangerous--we've put together our own guide for the best high-altitude spots where you can celebrate Independence Day.

1 LOUNGEsix

616 J Street, Fourth floor | (619) 531-8744

This rooftop bar is hosting a free pool party on Saturday, with a DJ, drink specials and mixology demonstrations from 1-7 p.m. Wind down after the revelry with some champagne and a fireworks display over downtown.

As anyone who has watched a Padres game from the rooftop of the Gaslamp Marriott knows, Altitude has a killer view of the ballpark fireworks as well as the harbor. Receive free valet parking at the hotel with your purchase of \$25 or more.
