BAJA GOES BOHO CHIC > RUM RULES! > AND ALL THE BEST PARTIES

FEVER!

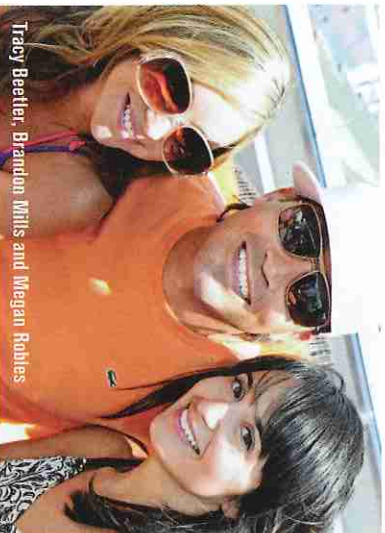

THE PARTY: *Riviera* and the Ivy kicked off Memorial Day weekend for the first of the hotel's va-va-room *Euphoria* Sunday pool parties. THE VENUE: The Ivy's rooftop cabanas were overflowing with scads of bikini-clad betties and bros. THE SHOW STEALER: The ultra-glam dance squad—decked out courtesy of S.D.'s Sauvage swimwear and Robert Cromean's Salon—busted out some serious choreography. (Watch out, *Dancing With the Stars*!) And hey *Miss DJ*—Aussie model-turned-DJ Sky Nellor lent a major celeb factor with her beats. One more time... —*The Editors*

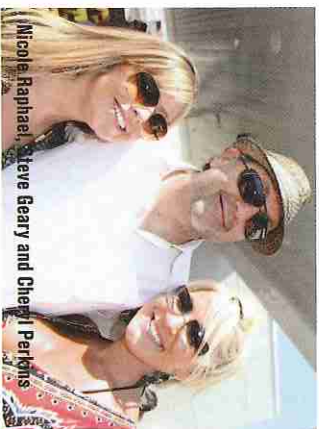

So you think you can dance? The Ivy's all-star dance crew does a balancing act atop the bar.
